FriendshipWorks Seeking Volunteer Graphic Designer Immediately

Do you or someone you know have experience in graphic design? FriendshipWorks, Boston’s leader in reducing elder isolation by creating connections for older adults by matching them with volunteers needs your help. FriendshipWorks is currently seeking a volunteer graphic designer for a short-term position to create a special 4-page mailing and a 12-page newsletter and insert. We are seeking someone with the following skills:

- Experience designing publications with a focus on print newsletters
- Experience with design programs like Adobe Photoshop and InDesign a must
- Ability to conceptualize and develop creative design that is aligned with existing brand standards and guidelines
- Ability to work with staff ideas and suggestions, and own them in the design and creation process
- Strong communication skills and ability to set and meet deadlines
- Appreciation and sensitivity for non-profit work

Interested parties please submit a resume & if available, a link to a portfolio.
